Welcome to the Kingdom of Talossa!

Let me tell you a little about Talossa. The Kingdom of Talossa is an exciting country with many diverse people, languages, and cultures. It was founded in 1979 by King Ben in his bedroom. Over the course of many years, it has grown to include most of the eastern part of the American city known as Milwaukee.

We would like to invite you, our children, who we call dandelions, to start participating by learning more about the uniquely diverse culture of Talossa! We hope that you will enjoy this booklet of activities as much as we have enjoyed putting it together for you.

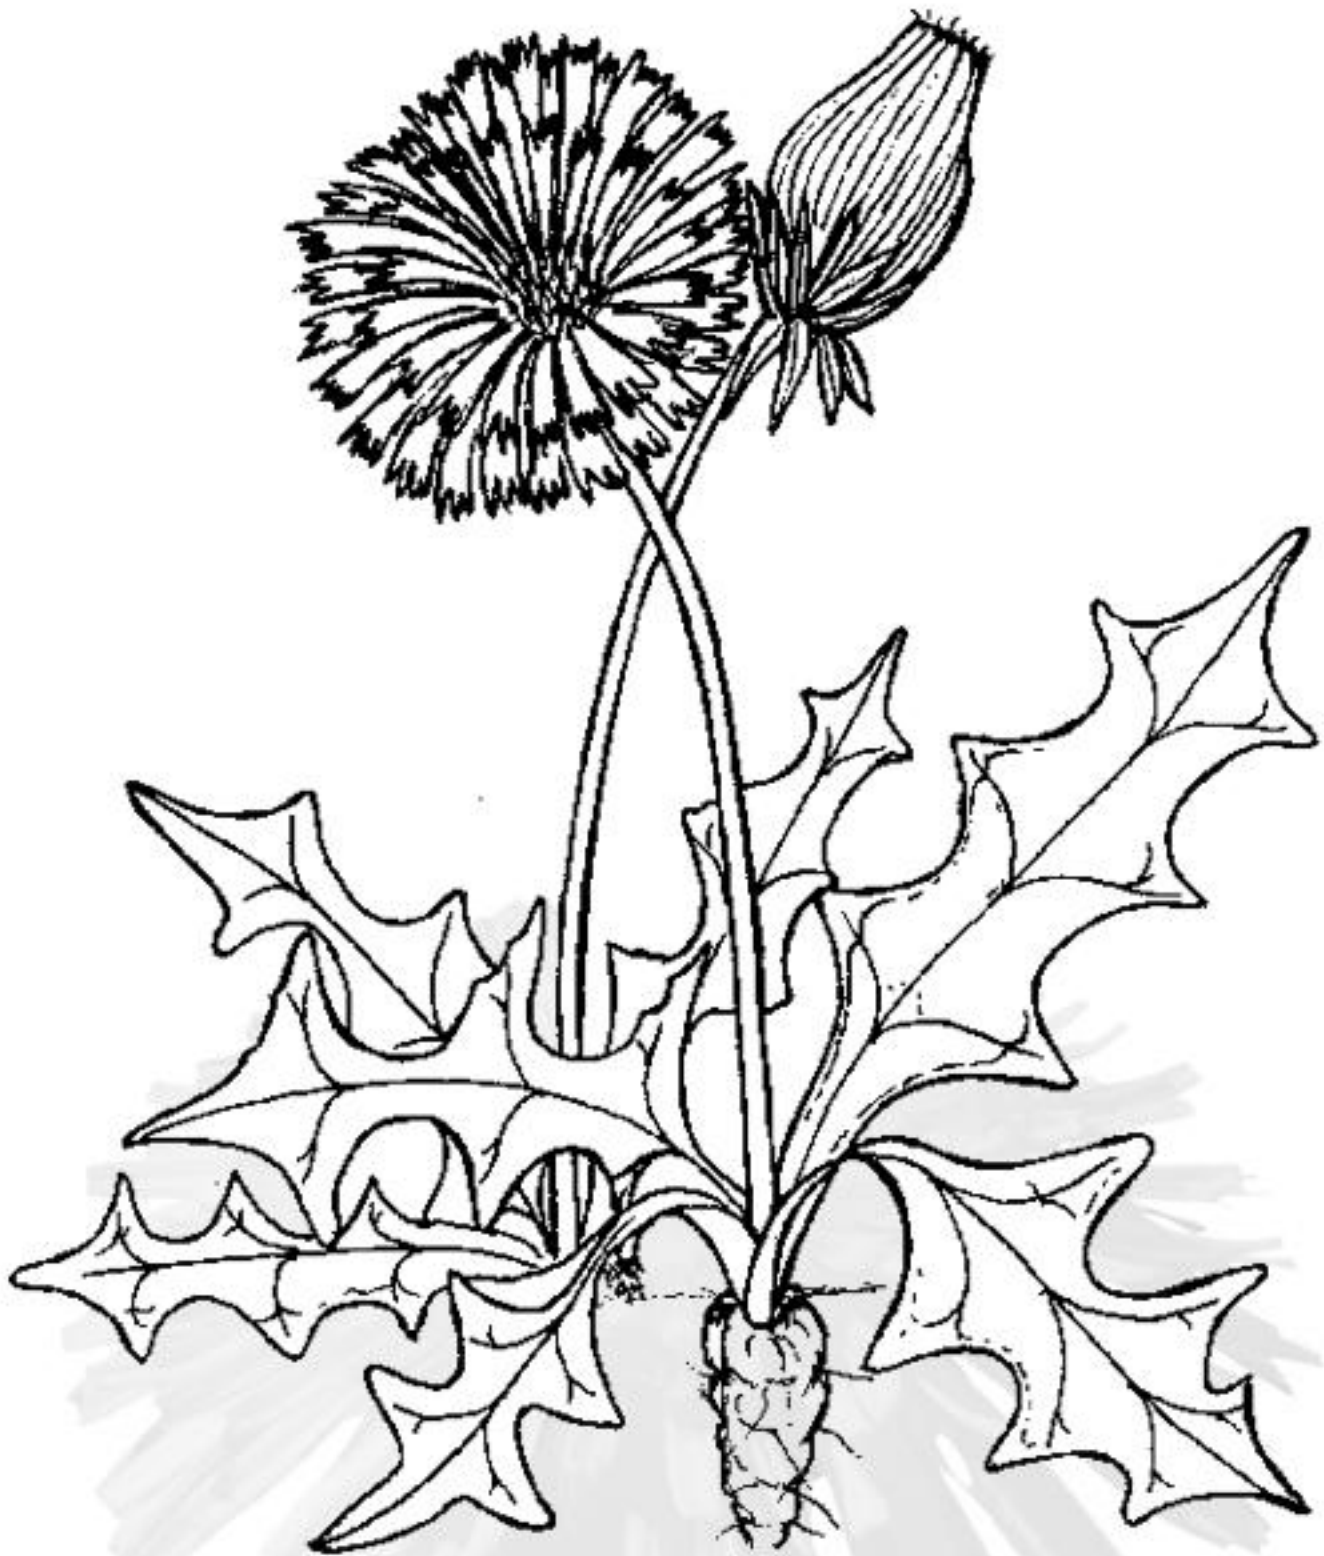

This activity book was assembled by the Ministry of Stuff with help from Ma la Mha, el Prüm Baron Tepistà; The Most Honourable Ieremiac'h Ventrutx; Viteu Toctviac'hteir; and Alexandreu Gavárpic'h.

*Pale little dandelion,
in her white shroud,
Heareth the angel-breeze
call from the cloud.
Tiny plumes fluttering,
make no delay,
Little winged dandelion,
soareth away.*

Helen Barron Bostwick

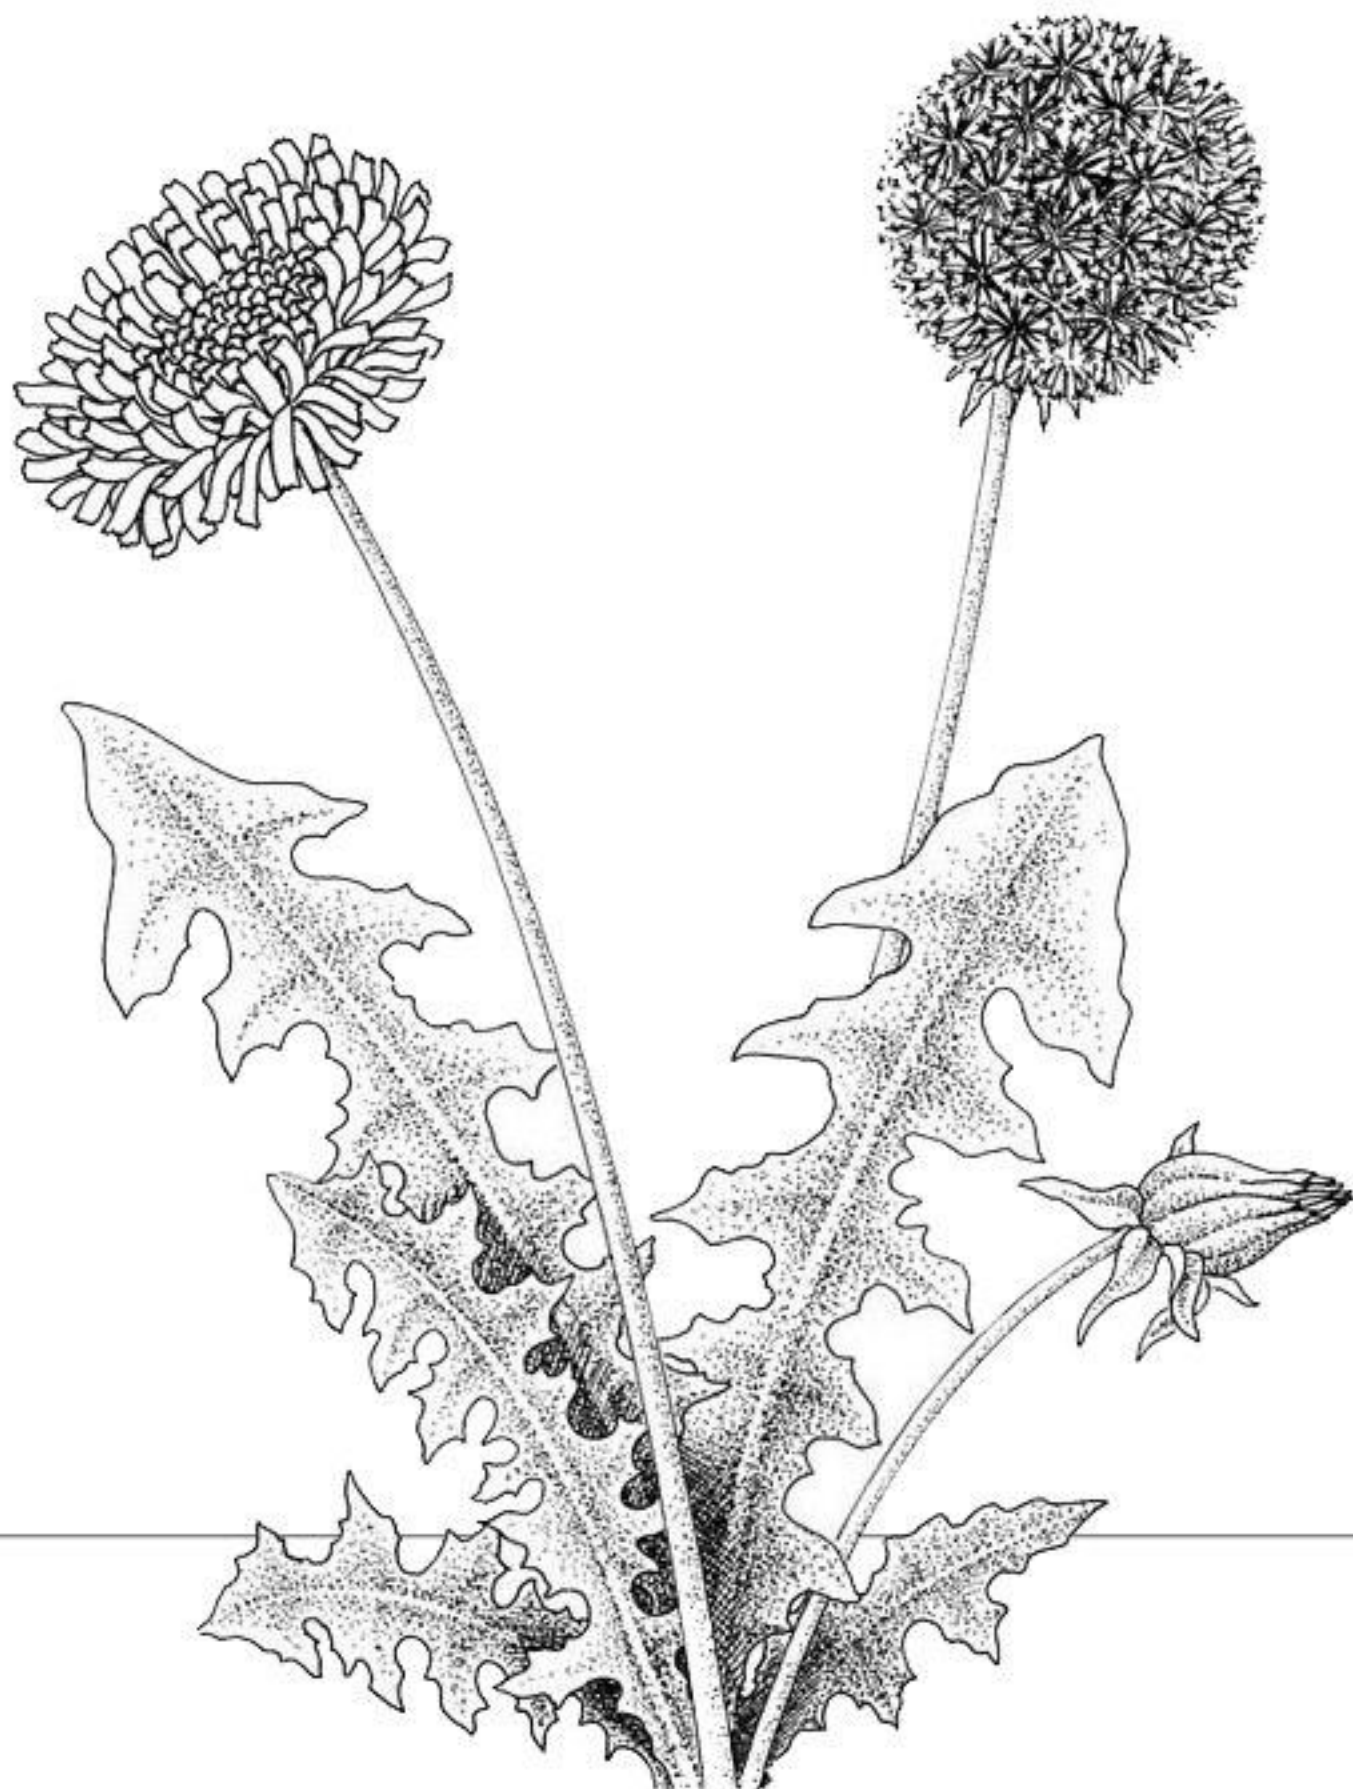

The First Dandelion

Simple and fresh and fair from winter's close emerging,
As if no artifice of fashion, business, politics, had ever been,
Forth from its sunny nook of shelter'd grass--innocent, golden, calm as the dawn,
The spring's first dandelion shows its trustful face.

"Leaves of Grass," by Walt Whitman
